## Motorbike ride in Memory of Dead Bikers

## Saturday 11<sup>th</sup> June at 2pm

Meeting point: METRO Zvolen, Slovakia (wholesale shopping center - Stráž 17 Zvolen)

We will make a short journey through Banská Bystrica to Šturec, where we will light candles at the memorial cross and spend one minute revving up our engines to the max to generate a biker roar that will reach as far as biker heaven in memory of all dead bikers.
